## Welcome to the T-Kit series

*Some of you may have wondered: what does T-Kit mean? We can offer at least two answers. The first is as simple as the full version in English: "Training Kit". The second has more to do with the sound of the word that may easily recall "Ticket", one of the travelling documents we usually need to go on a journey. So, on the cover, the little figure called "Spiffy" holds a train ticket to go on a journey to discover new ideas. In our imagination, this T-Kit is a tool that each of us can use in our work. More specifically, we would like to address youth workers and trainers and offer them theoretical and practical tools to work with and use when training young people.*

*The T-Kit series has been the result of a one-year collective effort involving people from different cultural, professional and organisational backgrounds. Youth trainers, youth leaders in NGOs and professional writers have worked together in order to create high quality publications which would address the needs of the target group while recognising the diversity of approaches across Europe to each subject.*

*The T-Kits are a product of the Partnership Agreement on European Youth Worker Training run by the European Commission and the Council of Europe. Besides the T-Kits, the partnership between the two institutions has resulted in other areas of co-operation such as training courses, the magazine "Coyote" and a dynamic internet site.*

*To find out more about developments in the partnership (new publications, training course announcements, etc.) or to download the electronic version of the T-Kits, visit the Partnership web site: [www.training-youth.net](http://www.training-youth.net).*
