Electronic resources for further information

http://www.eun.org/eun.org2/eun/subdesc_my europe.cfm?sub_id=130&language=en

This site offers you activities, a selection of open projects and resources on peace, international cooperation, the environment and democracy.

<http://www.politeia.net/>

The network for citizenship and democracy in Europe is a virtual organization of more than 1500 persons and institutions that are active in the field of citizenship and political education and wishing to cooperate at European level.

<http://www.citizensconnection.net/home-page/about-us.vdf>

CitizensConnection.net is the biggest website in the UK for active citizens – packed with advice for people who want to make a change.

<http://europa.eu.int/comm/education/connect/uk-002.html>

Township offers the opportunity for creative educational work and debate around the issue of citizenship, creativity, change and the sustainability of our towns. It will encourage the exchange of ideas and new initiatives, through a series of workshops, a resource pack for use by teachers and community workers and a Website.

<http://www.curriculum.edu.au/democracy/>

An Australian site produced for the Commonwealth Department of Education, Science and Training (DEST)

<http://www.bbc.co.uk/education/schools/getinvolved/>

BBC education site – stories of active participation. Don't just sit there, get involved!

<http://oxfam.org.uk/coolplanet/teachers/globciti/globciti.htm>

Oxfam's powerful site, on international citizenship. Developed in partnership with teachers and other educationalists this curriculum builds on existing good practice and recommends the knowledge, skills, values and attitudes to which we believe young people are entitled to enable them to develop as Global Citizens

<http://www.europe4you.net/index.htm>

Site promoting participation in Europe.

<http://www.globalschoolhouse.com/>

The American site Global SchoolNet is a leader in collaborative learning. We continue to provide online opportunities for teachers to collaborate, communicate, and celebrate shared learning experiences.

**A History of Europe
and Citizenship**

<http://www.britishcouncil.org.uk/education/resource/europe/ercinfo10.htm>

The European Resource Centres for Schools and Colleges (ERCs) have been set up to provide information for the education sector. There are a number of websites that can provide useful information to teachers and students of geography: general citizenship; democracy; diversity and identity; human rights; equal opportunities; challenging racism; media; law; citizens rights; working and employment; consumer rights; the EU and the world; environment; school linking. There are also a number of other websites that may be of interest to students and teachers that can be accessed from the links index.

**Future
Developments**

<http://www.ibe.unesco.org/sitemap.htm>

A wide-ranging internationally focused educational resource

**Our Conceptual
Framework**

<http://www.infed.org/>

The encyclopedia of informal education

Explore key thinkers, theories and themes in informal education and lifelong learning.

**Contemporary
Approaches
to Education
for European
Citizenship**

<http://www.csv.org.uk/>

A UK charity committed to enabling people to actively participate in their communities through volunteering, training and education

**Our Educational
Approach
to European
Citizenship**

<http://www.citizen.org.uk/>

Tackling apathy, stimulating debate, promoting awareness, supporting education, encouraging active citizenship. The Institute for Citizenship is an independent charitable trust. Our aim is to promote informed, active citizenship and greater participation in democracy and society through a combination of community projects, research, education and discussion and debate.
