Methodology of the training

The programme is based on the active involvement and participation of the participants. It includes interactive exercises, group discussions, presentations and other methods to inspire the non-formal learning process.

Individual preparation of participants

Participants are requested to prepare themselves with existing practices, documents, methodology in their country in the field of Citizenship education, and about European Citizenship, including interesting articles about the perception of Europe.

Arrival and departure

Participants are requested to arrive on the 27th November, Sunday and depart on the 1st December, Thursday.

Costs

Educational support, accommodation and food will be provided and covered by the Partnership Secretariat. National Agencies are kindly requested to cover the travel cost of their colleague to Budapest and return.

Transfer from the airport

From Budapest Airports (Ferihegy 1 or Ferihegy 2 A,B) the best is to take the Minibus service that you can order at the Airport Minibus desk in each arrival hall. The return ticket costs about 20 Euro. Do not use the taxis waiting in front of the terminals (that is a mafia and they charge a lot)!

Food

The European Youth Centre serves vegetarian food as an option in all meals. They do not serve pork.
